RECENT NEWS

Hag Al Laila

Students celebrated Hag Al Laila with joy and enthusiasm, embracing the rich traditions and cultural heritage of the occasion. Dressed in colorful attire, they took part in activities that highlighted the spirit of giving, happiness, and community. The celebration created a warm and festive atmosphere, allowing students to connect with cultural values and share meaningful experiences together.

U.A.E. and Kuwait: Brothers Forever Activity

Students took part in the "U.A.E. and Kuwait: Brothers Forever" activity, expressing the strong bond between the two nations through creative artwork. Through drawing and coloring, they explored themes of unity, friendship, and cultural connection.

The activity provided a meaningful way for students to appreciate shared values while showcasing their creativity.

SLO STORIES

Student Life Leadership Conference

The Student Life Leadership Conference provided an inspiring platform for students to develop essential leadership skills and gain valuable insights. Through engaging presentations and collaborative discussions, students explored what it means to lead with confidence, responsibility, and teamwork. The event empowered participants to take initiative and contribute positively to their school community as future leaders.

STEAM

VEX Competition

Students participated in the VEX Competition, showcasing their creativity, problem-solving skills, and teamwork in an exciting robotics challenge. Through designing, building, and programming their robots, they applied their knowledge in a hands-on and competitive environment. The experience encouraged innovation and collaboration, making it a valuable and inspiring opportunity for all involved.

EVGP Champions!

We proudly celebrate our EVGP team for their outstanding achievement in securing 3rd place in the competition. Their dedication, precision, and teamwork were evident throughout the event, showcasing their strong skills and determination. This accomplishment reflects their hard work and passion, making the school community incredibly proud.

STEAM Competition

Students proudly participated in the STEAM Competition, showcasing their innovation, creativity, and teamwork. Through hands-on challenges, they applied their knowledge in science, technology, engineering, arts, and mathematics to solve problems and present ideas. The experience encouraged critical thinking and collaboration, allowing students to shine and demonstrate their potential.

SPORTS ACTIVITIES

Grade 3 and 4 Gymnastics Girls Winners!

We are incredibly proud of our Grade 3 and 4 Girls Gymnastics team for their outstanding achievement. Their dedication, discipline, and teamwork were clearly reflected in their performance, earning them well-deserved recognition. This accomplishment highlights their hard work and commitment, and they continue to inspire others with their determination and spirit.

Nour Georges
- **3rd Place:**
Jana Jamal

Grade 4:

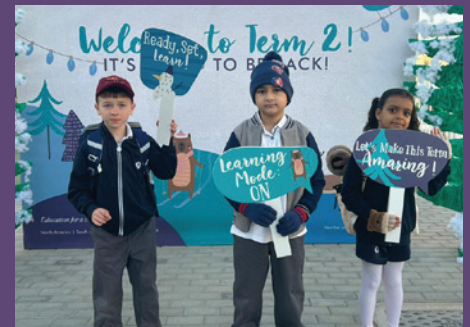

- **1st Place:**
Stephanie Liu
- **2nd Place:**
Milada Papikyan
- **3rd Place:**
Entong Zhu

EVENTS

Winter Welcome Back

As winter began, we were pleased to welcome our students and staff back for Term 2. The term brought new opportunities to learn, grow, and achieve as we continued building on the progress from Term 1. We looked forward to a positive and productive term filled with engaging lessons and meaningful experiences. We encouraged everyone to stay focused, motivated, and ready to make the most of the weeks ahead; and together, we made the term amazing.

Teddy Bear Picnic

The Teddy Bear Picnic was a joyful and heartwarming event where students brought their favorite teddy bears to enjoy a fun day outdoors. Surrounded by sunshine and laughter, students shared snacks, played together, and created special memories with their friends. The day was filled with happiness and a strong sense of community, making it a truly memorable experience for all.

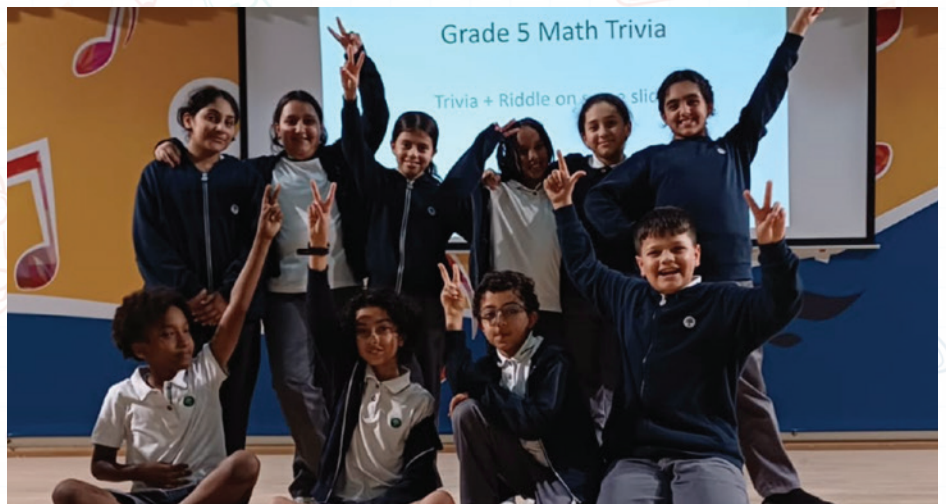

Grade 8 Academic Battle

The Grade 8 Academic Battle was an exciting and competitive event that challenged students' knowledge and quick thinking. Participants worked in teams to answer questions across various subjects, showcasing their understanding and teamwork skills. The friendly rivalry created an engaging atmosphere, motivating students to perform their best as they competed for the top spot.

Grade 5 Trivia

Grade 5 students took part in an exciting trivia activity that turned break time into a fun and engaging learning experience. The session was filled with quick thinking, teamwork, and friendly competition as students answered a variety of questions. It was a great opportunity to challenge their knowledge while enjoying a lively and interactive atmosphere.

Family Fun Day

Family Fun Day was a vibrant and joyful event that brought together students, families, and staff for a day full of fun and connection. With a variety of games, activities, and entertainment, the event created a lively atmosphere filled with laughter and shared moments. It was a wonderful celebration of community spirit, strengthening bonds and creating lasting memories for everyone involved.

International Day

International Day was a vibrant celebration of cultures, unity, and diversity within the school community. Students explored traditions from around the world through activities, displays, and shared experiences, creating a lively and inclusive atmosphere. Parents and staff were also actively involved in the decorations, contributing to the festive environment and enhancing the overall experience. The event highlighted the importance of respect, understanding, and global connection, making it a meaningful and enjoyable day for all.

Inside Out Day

Our Lower School students enjoyed a vibrant Inside Out Day during Term 2, transforming our outdoor spaces into lively, open air classrooms. From reading in shaded areas to engaging in hands on activities under the sky, students experienced learning from a refreshing new perspective. The day was filled with joy, curiosity, and creativity and showcased how meaningful learning can happen anywhere.

SCHOOL TRIPS

Sharjah Academy of Astronomy, Space Sciences, & Technology

Our students enjoyed an inspiring visit to the Sharjah Academy of Astronomy, Space Sciences, & Technology, where they explored the wonders of the universe through interactive exhibits and hands-on learning. They had the opportunity to observe advanced space technologies, learn about celestial bodies, and deepen their curiosity about astronomy. The trip sparked excitement, questions, and a greater appreciation for the science that connects us to the stars.
