Member of the **SABIS®** Network

SCHOOL PROFILE

The International School of Choueifat – Ajman, opened its doors in September 2016. Located in the Emirate of Ajman, the school is the twelfth SABIS® Network school in the U.A.E., and the first in Ajman. ISC-Ajman is a purpose-built school situated on a 70,000 square meter campus.

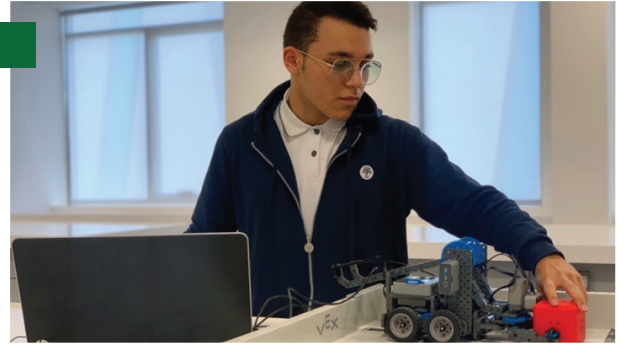

ISC-Ajman is a non-selective, co-educational, independent, and English-medium day school. It provides students from the ages of 3 to 18 (Pre-KG to Grade 12) with an outstanding education that blends academics, life preparation, and self-development and gives students an edge in college and in life.

CAMPUS

ISC-Ajman is located in Ajman, 2 kilometers from Sheikh Mohammed Bin Zayed Road. The purpose-built school is situated on a 70,000 square meter campus.

The school's state-of-the-art facilities include spacious classrooms, science and computer laboratories, a performance hall, as well as extensive sports facilities with a semi-Olympic size swimming pool, an indoor basketball/tennis court, and an Olympic soccer field surrounded by a running track. The KG Department is an independent unit with its own indoor swimming pool, a multipurpose indoor court, and a special KG car track. The school benefits from many IT features including, but not limited to, E-books for students, a computerized learning and testing center, and smart TVs in the classrooms.

THE WORLD OF SABIS®

SABIS® is a global education network that has an active presence in 20 countries on five continents. Schools in the SABIS® Network educate over 70,000 students. Based on a proven proprietary system, SABIS® Network schools provide students with a top-quality education that prepares them to meet the challenges of a changing world.

With roots in the 19th century and a vision for the 21st, SABIS® provides a top-quality education for a changing world.

THE SABIS® EDUCATIONAL SYSTEM

The SABIS® Educational System is an educational approach that has been developed, refined, and tested for over 135 years to provide a truly international education that is geared towards the achievement of academic excellence.

With a balance of academics, self-development, and life preparation, the SABIS® Educational System prepares its students for success in college, fosters a lifelong interest in learning, and develops responsible world-class citizens. It blends quality education with traditional values of hard work and responsibility for oneself and others.

The SABIS® Educational System is distinguished by the philosophy upon which it is based, the goals that it sets, and the approach and methods that it employs to accomplish these goals. It provides a sound, thorough, and high standard of education.

Like other SABIS® Network schools, ISC-Ajman offers courses leading to a wide range of external examinations that include the U.S. Advanced Placement® (AP®) exams, the SAT & TOEFL exams, and the British IGCSE & AS/A Level exams. The school also offers courses that prepare students to earn a high school diploma.

DEVELOPING A POSITIVE ATTITUDE TOWARD LEARNING

The SABIS® Educational System implemented at ISC-Ajman balances academic development with social, physical, and emotional development. Students are encouraged to explore talents, interests, and hobbies, as well as develop life skills through participation in physical, academic, scientific, and artistic pursuits that stimulate a healthy, eager, and happy attitude towards learning.

PROVEN TRACK RECORD

Since 1886, students educated in SABIS® Network schools have earned a reputation for excellence. They consistently perform well above global averages on standardized tests and are accepted to and succeed at top universities in the U.S., Canada, the U.K., Europe, the Middle East, the Far East, and Australia.

Today, many graduates from SABIS® Network schools are prominent members of society. They are a group of successful professionals who hold prestigious positions in organizations in both the public and private sectors around the world.

EXTRACURRICULAR ACTIVITIES

Extracurricular activities are an integral part of the SABIS® Educational System. Students are encouraged to develop talents, interests, hobbies, skills, and techniques through participation in physical, academic, scientific, and artistic pursuits. Extracurricular activities complement students' academic work. While providing ways to interact, relax, and have fun, activities develop students' interests, keeping them physically fit, increasing energy and stamina, and promoting mental alertness. Students may participate in activities at lunch break, after school, and on Saturday mornings.

SABIS® STUDENT LIFE ORGANIZATION

The SABIS® Student Life Organization (SLO), a distinctive and integral part of the SABIS® Educational System, provides students countless opportunities to develop important life skills that empower them to make a difference.

The SLO is the students' mini society. All students are encouraged to join SLO and to take an active part and contribute to the academic and non-academic aspects of their education.

By working in cooperation with, and complementing the efforts of, the administrative and academic staff, students raise the general standard and add more value to themselves.

THE SABIS® EDGE™

A SABIS® education gives students an edge in facing life's challenges. The SABIS® EDGE™ – a balance of academics, self-development, and life preparation – prepares students to succeed in an environment of accountability and establishes a lifelong interest in learning.

Academics

Students acquire a solid academic foundation through:

- Rigorous curriculum that emphasizes depth and breadth of knowledge
- Ongoing follow-up and support

Students also:

- Cultivate efficient learning skills
- Learn additional world languages and cultures
- Experience regular reality checks
- Transfer with ease to other school systems worldwide

Self-Development

Students:

- Acquire self-discipline
- Build self-confidence
- Learn self-motivation

SLO develops outstanding students who are academically well rounded, morally sound, mentally sharp, and socially aware.

- Promote positive peer pressure
- Strengthen their civic, ethical, and moral values

Life Preparation

Students:

- Develop problem-solving abilities
- Maintain lifelong academic fitness
- Expect and accept accountability
- Learn critical thinking
- Acquire essential skills in:
 - True leadership
 - Teamwork
 - Organization
 - Interpersonal communication

Provided with a solid education they can build on to re-engineer their knowledge in the face of change, students are equipped with the tools they need to succeed in an ever changing world.
